SUMMER CLASSES

West End Church of Christ

YOUTH

SUNDAY MORNING

Living Hope: A Study of 1 Peter

Billy Bearden & Interns

Lighthouse (Middle and High School)

Peter speaks to persecuted Christians and guides them with practical instruction on living life consistent with following Jesus. The book of 1 Peter gives persecuted Christians a powerful reminder that they have hope in the midst of their suffering. We see in the Bible that from the time of Abraham God's people were a misunderstood minority and should expect to face hostility because they live under King Jesus' rule. We will take some of Peter's applications and apply them to our situations in today's culture that teens deal with on a regular basis.

WEDNESDAY NIGHT

Activating My Prayer Life

Billy Bearden & Interns

Lighthouse (Middle and High School)

Prayer is, at root, simply paying attention to God. Imagine that, actually paying attention to God. So simple, yet so often overlooked. One could theoretically recite long prayers, but in the end pay little attention to God. But how different to go to prayer saying, "I am going to go aside now and spend some time paying attention to God". There are countless ways throughout the day where we can take a moment and pay attention to God. During this quarter we will examine our prayer life and discover ways to dive deeper into conversation with God.

ADULT SUNDAY MORNING

The Effective Edge | West End Elders | Room 217

Before Jesus returned to Heaven, He commanded His disciples to be fruitful. Bearing fruit however, requires success, accomplishment and a fulfilment of ones purpose. In short, bearing fruit implies effectiveness. During this study we will answer the question of, "How Christians today can accomplish the Lord's work." Becoming effective disciples is important if we are to fulfill Jesus' plan and if we are to glorify God with our lives. During this course of this study we will focus on 12 specific areas that Christians can be effective and explain how each of these contributes to an overall lifestyle of effectiveness in the Lord's church. We will each examine ourselves and focus on some different ways we can use our talents, skills and opportunities to achieve the most meaningful results.

Life of Joseph | Jeremy Weekley | Room 221

God is at work for the benefit of His people even when our circumstances are conspiring to defeat us. This is clear from the life of Joseph, whose story is one of tragedy in the midst of a virtuous life, as well as God's healing power of mercy, forgiveness, and restoration. Joseph's experience demonstrates how God's hidden providence is always working to bring good out of evil.

The Book of Joshua | Mark Sloan | Auditorium

The book of Joshua recounts the Israelites' entrance into the promised land under the leadership of Joshua. We can learn from the study of this book the principles that can help us to have courage and be strong in the midst of opposition. We can also learn important lessons from the successes the Israelites experienced because of their obedience to the Lord and from the failures they experienced because of their disobedience.

Echoing His Heartbeat: The Life of David | Room 204 (Ladies)

Travel a new path with an old friend as you journey into the heart of God in the company of Israel's beloved King David. Exploring the joy and sorrow, triumphs and struggles of David's life will draw you closer to God as you strive to echo the heartbeat of the King of Kings.
