Our Mission

Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.

MARKET

MINISTRY OF WEST END CHURCH OF CHRIST

The first Sunday of the year the congregation was informed that the old tractor shed was going to be converted into a new food pantry. We are naming it H.O.P.E. Market (Helping Other People Eat).

Renovating and repurposing the building will allow us to better minister to individuals who are in need of food assistance. The concept will allow recipients to "shop" for items they need and create a more relational model for benevolence rather than a transactional one.

As we get nearer to the completion of the project we will be looking for volunteers who will help us stock the pantry, service individuals, check people in, etc. We are in the process of getting permits from the city so that the physical structure can be completed.

Please keep praying for this ministry!
