**Audience**

Make a joyful noise to the LORD. Psalm 100

**Approach**

The listener determines the approach.  
Old Testament Song Worship - 2 Chronicles 29:25  
New Testament Song Worship  
Colossians 3:16-17 Ephesians 5:19

**Historically speaking**, instruments are not generally accepted for worship among churches until the 13th century.

**Attitude**

Getting the how of worship right without the right heart is still not acceptable worship. There is no command, or example, for the use of musical instruments in NT worship. Therefore we have no authority to bring them into the church.
