Dear Family in Christ
 Wanda and I have been at West End since 1970, a period of 54 years. I have had the privilege to serve as an elder since April of 1992. During that time, I have seen many changes at West End, both in the physical plant and also in the membership. However, I believe that during these thirty-two years we have remained true to God's word to the best of our ability, and for that I am truly grateful. I recently celebrated my eightieth birthday, and while I understand that there is not an age limit for serving as an elder, I believe it is time for me to step down. I believe the congregation is in good hands with the remaining eldership, and I am confident that they will continue to hold firm to God's word. I want to thank everyone for the encouragement and love you have shown to me over the years, and to tell you how much a simple expression of support can mean, both when times are tough and when things are going smoothly. Please know that Wanda and I will still be at West End, and that we will continue to serve the Lord to the best of our abilities.
